Avaada Foundation to contribute Medical Equipments for Medical front-lines warriors to combat with COVID-19

Mumbai, 13th April 2020: The current situation in India and across the world is of grave concern and needs immediate action. Avaada Foundation is tirelessly working to build sustainable India. But at these testing times we need to contribute greater than any other time.

Maharashtra is one of our Karma-Bhumi and we are all indebted to it in times of this crisis. In the wake of the Corona Virus pandemic that has spread across the world, the Avaada Foundation today pledged to contribute **Medical Equipments** to Civil Hospital of Satara and Buldhana Districts in Maharashtra.

On this occasion Mr. Vineet Mittal – Chairman, Avaada Group said, “This is one of the most challenging period that our country has faced. At this moment, what matters most is sharing the responsibility of fight against coronavirus in every way possible. Being the leading Renewable Energy company of India, we would like to provide equipments to medical front-line warriors to those who have already caught the virus. Being a socially responsible company, we pledge to protect and empower our hospitals which can treat the patients more efficiently.”
